cal

Cal's the kind of guy who has a knack for bringing people together. With his good looks, full knee clearance around the table, and convenient access to power along the center spine, this conference table is at the center of all the best conversations.

HOW TO SPEC

Select a metal finish for the base and painted flush-mounted button fasteners that secure the top, then choose the size of your translucent resin or laminate top. Add power if you like. It's also equipped with a decorative cover to protect wandering cords.
