

duane

Duane's a team player. Always ready for action, this trestle-style work table huddles up to support multiple computer stations or gaming centers. With his large cable trough and split tabletop, he's prepared for whatever tools you bring to the table.

HOW TO SPEC

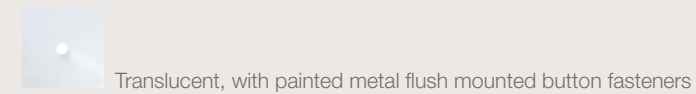

Select your metal finish for the sled base and painted flush-mounted button fasteners, then choose the size of your translucent resin or laminate top. Then tell us if you prefer power or not.
